The Best Dutch Book Designs

A five-person jury comes together annually to choose the Best Dutch Book Designs. For 2009 there were 415 titles submitted for them to choose from. Four titles from valiz were included in the winning category. These titles are: *Gijs Frieling, Vernacular Painting* and the three existing titles in the Antennae series. The winning titles will be exhibited at The Temporary Stedelijk at the Stedelijk Museum Amsterdam from October 16th until the 21st of November. This exhibition had its festive opening on the eve of October 15th.
